

CONFIDENTIAL

8 August 1946.

MEMORANDUM FOR: Acting Chief, Interdepartmental
Coordinating and Planning Staff.

SUBJECT: Interdepartmental Liaison and Coordination.

1. Special Operations, CIG, is currently conducting liaison with The Department of State, The War Department, The Navy Department, The Federal Bureau of Investigation and other departments and agencies of the United States Government. This liaison concerns secret operations in which the cooperation and support of these departments and agencies is essential.

2. Liaison with departments and agencies is in the process of being established and maintained by the Control Office, Special Operations, which is charged with the handling or clearance of all official contacts on all levels. All business handled by Control will clear through one authorized office in the department or agency concerned to the end that a complete record of transactions may be kept by both parties.

3. At a later date, liaison on matters pertaining to intelligence information will be established.
